Strings of the New Hampshire Harp Sponsorship

"The larger are harmonious with the small."

On June 28, 1776, the New Hampshire legislature passed an act calling for a copper coin made with a pine tree and the motto AMERICAN LIBERTY on one side, and a harp design with the date 1776 on the other. The harp was chosen as a symbol of smaller and larger states working together and so shall we of the NHSODAR strive to have both smaller and larger chapters working together.

We celebrate the spirit and harmony of our ancestors by offering you the opportunity to help sponsor the Cathedral of the Pines events. Each donation will be acknowledged in the Cathedral Banquet program.
