Information

BOOKING POLICY

Requests for available dates, holds or to lease DAR Constitution Hall will be accepted only from a prospective Licensee. Information will be limited to open dates, leased dates, and dark days. Information will not be provided on existing holds.

Holds will be taken, subject to approval of the Managing Director, only if the event is identified. An "Acceptance of Hold" letter will be mailed, faxed or emailed after approval is given, noting that the prospective Licensee **must renew the request every month**. Otherwise, the hold will be automatically deleted. "Blind" holds will not be entered in the Hall Calendar. Multiple holds for the same date will be entered in the order they are received.

If two or more prospective Licensees are holding a date for the same event, the date will awarded to the one authorized to present the event.

If a prospective Licensee desires a date already on hold, a challenge may be issued. Two working days will be given to each prior hold to provide the opportunity to confirm or relinquish the date. If the person\company so challenged elects to confirm the date, they must **immediately** present the usual and non-refundable deposit (currently \$3,500.00 for each day of the hold) to DAR Constitution Hall and sign the Agreement for Lease. If each hold is relinquished, the challenger must **immediately** present the usual and non-refundable deposit to DAR Constitution Hall and sign the Agreement for Lease. Failure by the challenger to make the immediate deposit will result in the hold reverting to its original format.

DAR Constitution Hall does not have a policy for protection regarding booking of similar acts with a similar audience in any given time frame.

From the DAR Constitution Hall Agreement for Lease:

No event shall be considered binding on DAR, and the premises shall not be considered as secured on any of the days mentioned herein, and Licensee shall not commence advertising nor sale of tickets to the event, unless and until the Agreement for Lease has been signed by both the Licensee and DAR, and the deposit has been paid.
