THE 1890 Annual Giving CIRCLE

THE 1890 Annual Giving CIRCLE

The 1890 Annual Giving Circle commemorates the founding of the National Society Daughters of the American Revolution. Since the founding of the Society, the NSDAR **General Fund** has supported the mission and programs of DAR.

Our Society Needs You

The National Society Daughters of the American Revolution was founded with the simple mission of promoting historic preservation, education, and patriotism. These timeless, overarching principles keep the DAR strong, vital, and relevant in this ever-changing world.

With your support, DAR organizes projects in local communities around the globe to preserve the memory and spirit of those who fought for our American Independence, and to help continue to keep America strong for future generations.

Gifts to the General Fund provide immediate funds to honor and preserve the legacy of your patriot ancestors through DAR programs and operations.

Why Every Gift Counts

Member contributions account for a significant percentage of the NSDAR annual operating budget. Without these contributions to the General Fund, much of the good work performed by the DAR could not be undertaken. Together, your gifts and those of others are quite literally making the work of DAR possible.

Participation and Consistency Matters

Giving—and giving every year—makes an enormous difference. Every gift counts, and your consistent participation allows National Headquarters to plan for the future with confidence.
