### **State Regent Project**

As State Regent, initiated and managed a Patriot Patio at the MSSDAR Chapter House with engraved bricks of our Patriots and Maryland Daughters. Raised funds for Maryland National Parks, historic properties, and local schools for planting bee pollinating gardens. Supported statewide effort to conserve, educate and preserve our environment and promote DAR.

### **Professional & Personal**

Forty-Eight years in the telecommunication industry spanning careers in engineering, long range, and corporate planning, information technology, software development, data center design, mergers and capital finance. President and treasurer for the Maryland AT&T Veterans Employee Resource Group for six years.

Maureen is a graduate from Georgia Tech with a BS in Management Science, from Johns Hopkins University with an Advanced Degree in Electrical Engineering and MS in Business and a Master Certificate in Project Management from George Washington University.

Married for 43 years, she has a DAR daughter, an SAR son and a C.A.R. grandson. Maureen enjoys reading, cooking, building dollhouses and going to the beach.

### **Awards**

SAR Medal of Appreciation, Martha Washington and Daughter of Liberty Medals; Bell Atlantic/Verizon Executive Hall of Fame; Leader for the Millennium; AT&T Service of Excellence Award.

Maureen's theme expresses her commitment: "Alone we can do so little; together we can do so much."

She likes to end her meetings welcoming all to:

"Bee  involved, Bee  of service, Bee  in DAR!"
