NSDAR#:

Welcome to DAR! Whether you are a new member or a new member at heart, we are excited that you have chosen to learn more about DAR. The New Members course was developed to give new members a flavor of DAR and how they can become engaged and involved.

At the conclusion of the course, we will be interested to learn about your experiences in taking it, so please make notes of modules and activities that are especially meaningful to you. Conversely, if you have suggestions about improvements we can make, we will be interested to hear of those also.

Your state coordinator is your resource for this adventure. We hope that you will enjoy it!
