Explore the Community Classroom Committee website found on the NSDAR Members Only website under Committees.

Name: **Chapter:** **NSDAR#:**

1. What are the goals of the committee?

2. Conduct a survey of your chapter members to determine if any of your chapter members are currently working and/or volunteering in your local schools and/or have children and/or grandchildren attending local schools. What did you find out? If no one in your chapter has a connection to a local school, share two ideas on how to reach out and connect with a local school.

3. List 5 ideas that interest you about serving in your Community Classroom.

4. Check out the chapter and state Success Stories on the Community Classroom website. Does your chapter have a Success Story? If so, write up the Success Story and submit it to your state Community Classroom chairman, state newsletter and the national Community Classroom chairman. (Attach) If not, which Success Story inspires you and why? How could you champion a Community Classroom Success Story?
