2. What summer month doesn't have a special day designated for displaying the flag? \_\_\_\_\_

3. Check out the "Flag Facts." When and where was the first American flag flown over a school house?

4. TRUE – FALSE

- \_\_\_\_\_ When reciting the Pledge of Allegiance to the Flag of the United States of America you should not have anything in your left hand and it should rest at your side.
- \_\_\_\_\_ An American Flag pin should always be worn on your the left side and is the only pin you may wear on that side when wearing your insignia ribbon.
- \_\_\_\_\_ The Pledge of Allegiance was made the official national pledge to the U.S. Flag by Congress in 1950.

5. Share with your chapter either at a chapter meeting or in your chapter newsletter a fun "Flag Facts" or other piece of information that you learned while exploring this committee's webpage. What did you share?
