1. TRUE – FALSE

- \_\_\_\_\_ The objective of the Patriot Records Project is to index names of patriots found in records previously not indexed.
- \_\_\_\_\_ Eventually the Patriot Records Index will be available as part of the DAR Genealogy Research System.
- \_\_\_\_\_ All records will be indexed by at least 2 volunteers and if there is a discrepancy, a third volunteer will review the discrepancy.
- \_\_\_\_\_ Time spent on indexing Patriot Records Project may be counted towards the “Service to America” tally, formerly known as “Celebrate America!” tally.
- \_\_\_\_\_ The Patriot Records Project automatically keeps track of how many names you have indexed as you work on the project.
- \_\_\_\_\_ Patriot Records screen shots should never be shared on Social Media or any other online venues.
- \_\_\_\_\_ In order to earn the Patriot Record Project Pin, you must index 10,000 names within a 1 year period. If false, how long do you have to index 10,000 names?

2. If you are having difficulties in reading a record or don't understand something, where should you seek assistance in answering those questions when working on this project?

Check out the Patriot Records Project Committee website in NSDAR's Members Only website under Committees – Patriot Records Project.

3. What time span do the records in this project cover?
