AMERICAN HERITAGE COMMITTEE WOMEN IN THE ARTS RECOGNITION AWARD APPLICATION

The Women in the Arts Recognition Award is available for DAR members and non-members and is designed to recognize worthy women at the community level for outstanding achievements in the non-performance arts. These include fiber arts design and creation, fine arts and sculpture design and creation, music composition, literature and drama authorship, jewelry, photography and artisan design and creation including, but not limited to, metalwork, decorative painting, and pottery. The recipient is expected to have contributed to her artistic field in an outstanding manner beyond mastery of technique. This may include innovative design work, featured exhibitions, publication, research, and technique development. Professional women in the arts are eligible for this award as long as they have demonstrated outstanding contributions to their field as outlined above.
