

## Lesson Plan Cover Page

Education is one of the main focus areas of the Daughters of the American Revolution. The Committee Classroom Committee provides electronic lesson plans focusing on America, its history, government, as well as related language and/or math topics. These lesson plans may be submitted by DAR members or the public for use in schools, clubs or other interested groups. Some of the lesson plans may also be used with volunteer-driven DAR Community Classroom activities. Having these lesson plans readily available will allow teachers to easily select those that meet the needs of their curricula expectations and audience.

It is the committee's intent that the plans submitted and the resources / links provided to support the lesson are free to the user and that the lesson plan is the contributor's original work. **Plans submitted are for educational purposes only.**

Contributors must provide the following information and submit the form with the original lesson plan.

Name \_\_\_\_\_
