**Educational Resources**  
**Lesson Plan Cover Page**

Education component of the Community Classroom is one of the main focus areas of the Daughters of the American Revolution. The Educational Resources Committee, was established to electronically provide lesson plans focusing on America, its history, government, heritage, genealogy, as well as related language and/or math topics. These lesson plans may be submitted by DAR members or the public for use in schools, clubs or other interested groups. Having these lesson plans readily available will allow teachers to easily select those that meet their needs.

It is the committee's intent that the plans submitted and the resources / links provided to support the lesson are free to the user, that they are the contributor's original work. **Plans submitted are for educational purposes only and become the property of the NSDAR.**
