National Society Daughters of the American Revolution

PLACEMENT OF DAR INSIGNIA AND PINS ON OFFICIAL RIBBON

The official ribbon is not to exceed fourteen inches in length and is to be placed on the left shoulder. Pins must be placed from top to bottom on each ribbon in the order listed below. Begin with the highest office at the top of the ribbon (nearest the arm if wearing more than one ribbon) and ending with the official insignia at the bottom of the ribbon over the heart. When wearing more than one ribbon, the insignia must be placed on the inside ribbon (neck side). The sash must be worn over the right shoulder and pinned on the left hip. It should not be longer than the garment being worn. Insignia, pins, ribbons and sash are not to be worn in public unless one is officially representing the DAR, or attending the funeral, memorial service, or other services honoring a deceased member. Visit the Insignia Committee page on the DAR Members’ Website for “Pin Requirements” and other information.
